The SCM Studyguides are becoming increasingly well known, recognized and adopted as accessible textbooks for level 1 students who have no prior knowledge of the subject. “The SCM Studyguide Early Christian Doctrine and the Creeds” offers an accessible, stimulating and interactive guide-book to the emergence of Christian identity, with particular attention to the earliest form of the Christian thought and doctrine. The author analyses the crucial statements of the early Creeds and rules of faith. He explains the creedal statements on the nature of God, creation, incarnation, redemption, the Church and eschatology, and outlines the theological context which influenced their formulation and later modifications by other texts and authors. The Creeds are part of the heritage of all Christian tradition and therefore have to be studied by both theological students and in the context of ‘education for discipleship’ modules.

The Role of Thunder in Finnegans Wake

Between the Gates is a manual of self-initiation and liberation that takes the student through the basic methods of experiencing dream states and conscious astral projection, to the ultimate culmination of consciousness—creation of the Body of Light. Between the Gates is for anyone who has ever desired to experience the “afterlife” while still alive, or who has desired to rid themselves of the fear of death. While drawing upon traditional Galatian and alchemical sources, the methods presented are applicable to a variety of traditions and schools of thought. Between the Gates functions as an “A to Z” guide to psychic initiation toward higher consciousness, and ultimately, to preparation for the great transition beyond this life and this physical body.

Celtic Curses

National bestselling author Taylor Anderson’s explosive WWII alternate-history series continues as a do-or-die battle is waged that risks far more than anyone bargained for. The long-planned raid on the heart of the Grik Empire has grown more ambitious—and dangerously ill defined. Only Matthew Reddy, commander of the old destroyer USS Walker, seems focused on its original intent. Many Lemurians see an opportunity to recoup their sacred homeland, which was stolen long ago, and have no intention of simply striking a blow and then pulling back. Others, Lemurian and human, have their own agendas—which may not be in the best interests of the Alliance. Complicating matters further is Reddy’s suspicion that his task force is being stalked by an unknown power bent on aiding the Grik for reasons of its own. As the raid begins and chaos reigns, Reddy has no choice but to go all-in, risking everything in a desperate act that results in a sprawling, nightmarish battle on the beaches of “Grik City,” on the very decks of Walker, and in the labyrinthine passageways of the Celestial Palace itself. The final cost could be more than Matt Reddy—or the Alliance—can bear.

Iron Gray Sea

Vois. 1-8, 1880-87, plates published separately and numbered I-LXXXIII.
In Taylor Anderson’s acclaimed Destroyermen series, a parallel universe adds an extraordinary layer to the drama of World War II. Now, Lieutenant Commander Matthew Reddy, the crew of USS Walker, and their allies battle an ever-growing host of enemies across the globe in a desperate battle for freedom. War has engulfed the—other earth. With every hard-won victory and painful defeat, Matt Reddy and the Allies encounter more friends—and even more diabolical enemies. Even, at last, in the arms of the woman he loves, there is little peace for Reddy. The vast sea, and the scope of the conflict, have trapped him too far away to help on either front, but that doesn’t mean he and Walker can rest. Cutting short his “honeymoon,” Reddy sails off in pursuit of Hobiwami, a rogue Japanese destroyer that is wreaking havoc in Allied seas. Now that Walker is armed with the latest “new” technology, he hopes his battle-tested four-stacker has an even chance in a straight-up fight against the bigger ship—and he means to take her on. Elsewhere, the long-awaited invasion of Grik “Indii” has begun, and the Human-Lemurian Alliance is pushing back against the twisted might of the Dominion. The diplomatic waters seethe with treachery and a final, terrible plot explodes in the Empire of New Britain Isles. Worse, the savage Grik have also mastered “new” technologies and strategies. Their fleet of monstrous ironclads—and an army two years in the making—are finally mustering to strike.

The book contains more than 6,100 questions. Its value is not in the answers, but rather in the way the questions are formulated and in the information they contain. Because the questions are arranged chronologically, the book can be used as a study guide. Although there are questions that require to memorize certain details, most of them contain enough clues within themselves which give the reader the opportunity to find the correct answer by using comparisons and logic. Since the book was conceived with the purpose of using it in Bible contests, most of the questions require one-word answers. The material contained in this book is useful in bringing out things that many readers omit when they read the Bible. It is also useful for getting ideas for sermon subjects, for Bible contests, for obtaining information, etc. There are a variety of types of questions: 1. Simple and straightforward questions 2. Multiple choice questions 3. True or false questions 4. Tricky questions 5. Questions that require logic 6. Questions that require general knowledge 7. Questions that require to know Bible details 8. Give his name.” Question that requires logic: “Alexander the Great, around 250 BC, gathered in Alexandria, Egypt, 70 Hebrew scholars to translate the Scriptures from Hebrew into Greek. This translation is known under the name of Septuagint (LXX). What part of the Bible did they translate? Was it the Old Testament, the New Testament, or the whole Bible?” Question focused on unique things in the Bible: “If this gospel contains nothing about the life of Jesus before he was about 30 years old.” Answers: Tricky question: So Questions that require logic: OT (One should know that there was no NT in 250 BC, and the NT was already written in Greek) Questions focused on unique things in the Bible: Mark.
